Re: Legal Opinion Regarding York University

After reviewing all relevant facts, circumstances and information referenced in our letter dated May 22, 2014, it is our opinion that York University complies with HRS Chapter 446E, and has fulfilled the legal requirements as set forth under that Chapter for unaccredited degree granting institutions. As such, York University has the authority to offer or deliver academic programs and grant degrees for Bachelors, Masters and doctorate degrees.

If you have any further questions regarding this legal opinion or any other matters, please do not hesitate to contact us.

Very truly yours,

Paul Herrán
